

# SYRINGA TRAIL SYSTEM

## NARROW TRAIL MAP

Winter narrow trails are maintained for fat bikers, snow shoers, and hikers. Skiers, please use the wide trails

To W. Pine Street/Greta's Segway Trailhead

## Sherwood Forest

The trails of Sherwood Forest are neither groomed nor maintained during winter months. Hike or bike at your own risk.

## WINTER TRAILS

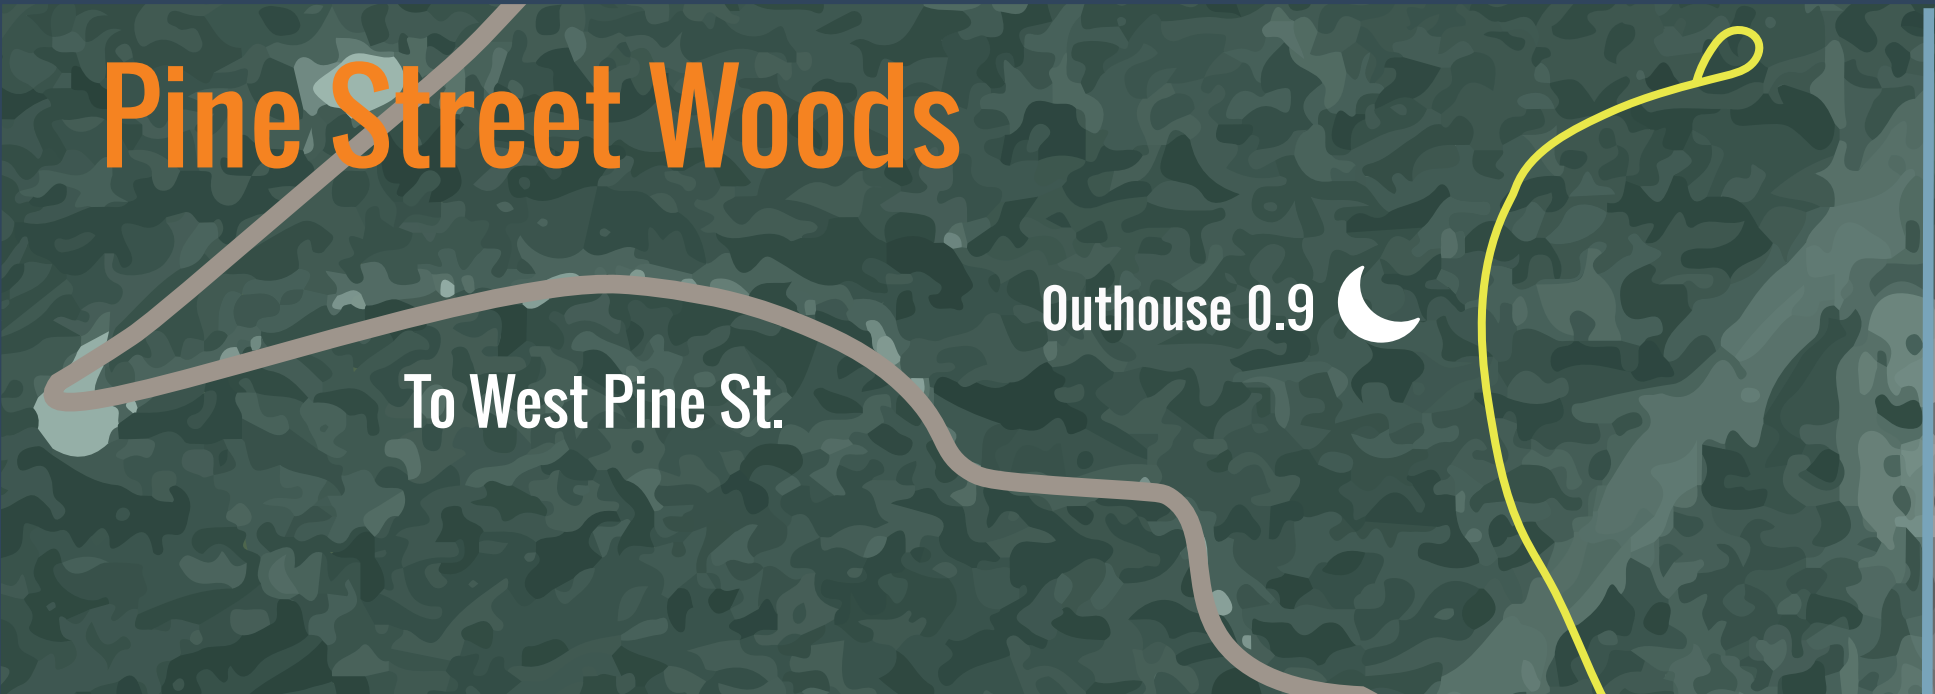

Uses:				
Groomed narrow trails	✓	✓	✓	✗
Ungroomed narrow trails	✓	✓	✓	✗

\*Bikes must have at least 4" tires to be ridden on groomed trails

Groomed routes may vary depending on snow and weather conditions. A regular grooming report will be posted to POP's website indicating which loops are freshly groomed.
