

LITTLE SAND CREEK WATERSHED

LOWER BASIN TRAIL NETWORK

SCHWEITZER MOUNTAIN RESORT

For maps of the Schweitzer resort trails check in at the Mountain Activity Center

TRAILS

- Trails
- Schweitzer Mt. Road
- Parking / Trailhead / Restrooms
- Planned trails
- Beginner
- Emergency services waypoint
- Intermediate
- Advanced

All trails besides Black DH and Blue DH below the roundabout are multi-directional. Black DH is an expert-only, downhill mountain bike trail; no foot traffic is permitted, and riders must be aware that dangerous features, including gap jumps, exist. Ride with extreme caution.

On all other trails downhill traffic must yield to uphill traffic and mountain bikers must yield to foot traffic.

Selkirk Rec District maintains most trails on Schweitzer property, and operates a weekend bike shuttle some years. Check their website for details: www.selkirkrecreationdistrict.com/shuttle

DONATE OR JOIN

PendOreillePedalers.org/Join

The Lower Basin trail network is made possible through collaboration between Pend Oreille Pedalers, the Selkirk Recreation District, the City of Sandpoint, and Schweitzer. These trails lie within the Little Sand Creek Watershed (shaded blue), which provides our communities with clean, affordable drinking water year-round.

This is a **NON-MOTORIZED** trail network
No horses permitted.

Please stay on designated trails and clean up after your pet. Sanitation facilities are available at the lower basin and roundabout trailheads and in Schweitzer village.

PLEASE REPORT ANY UNAUTHORIZED USE OR TRAIL MAINTENANCE ISSUES TO PEND OREILLE PEDALERS. pendoreillepedalers.org/contact

There are inherent risks associated with trail usage. In case of emergency, remain calm and call for help.

If you are injured or find an injured person

CALL 911

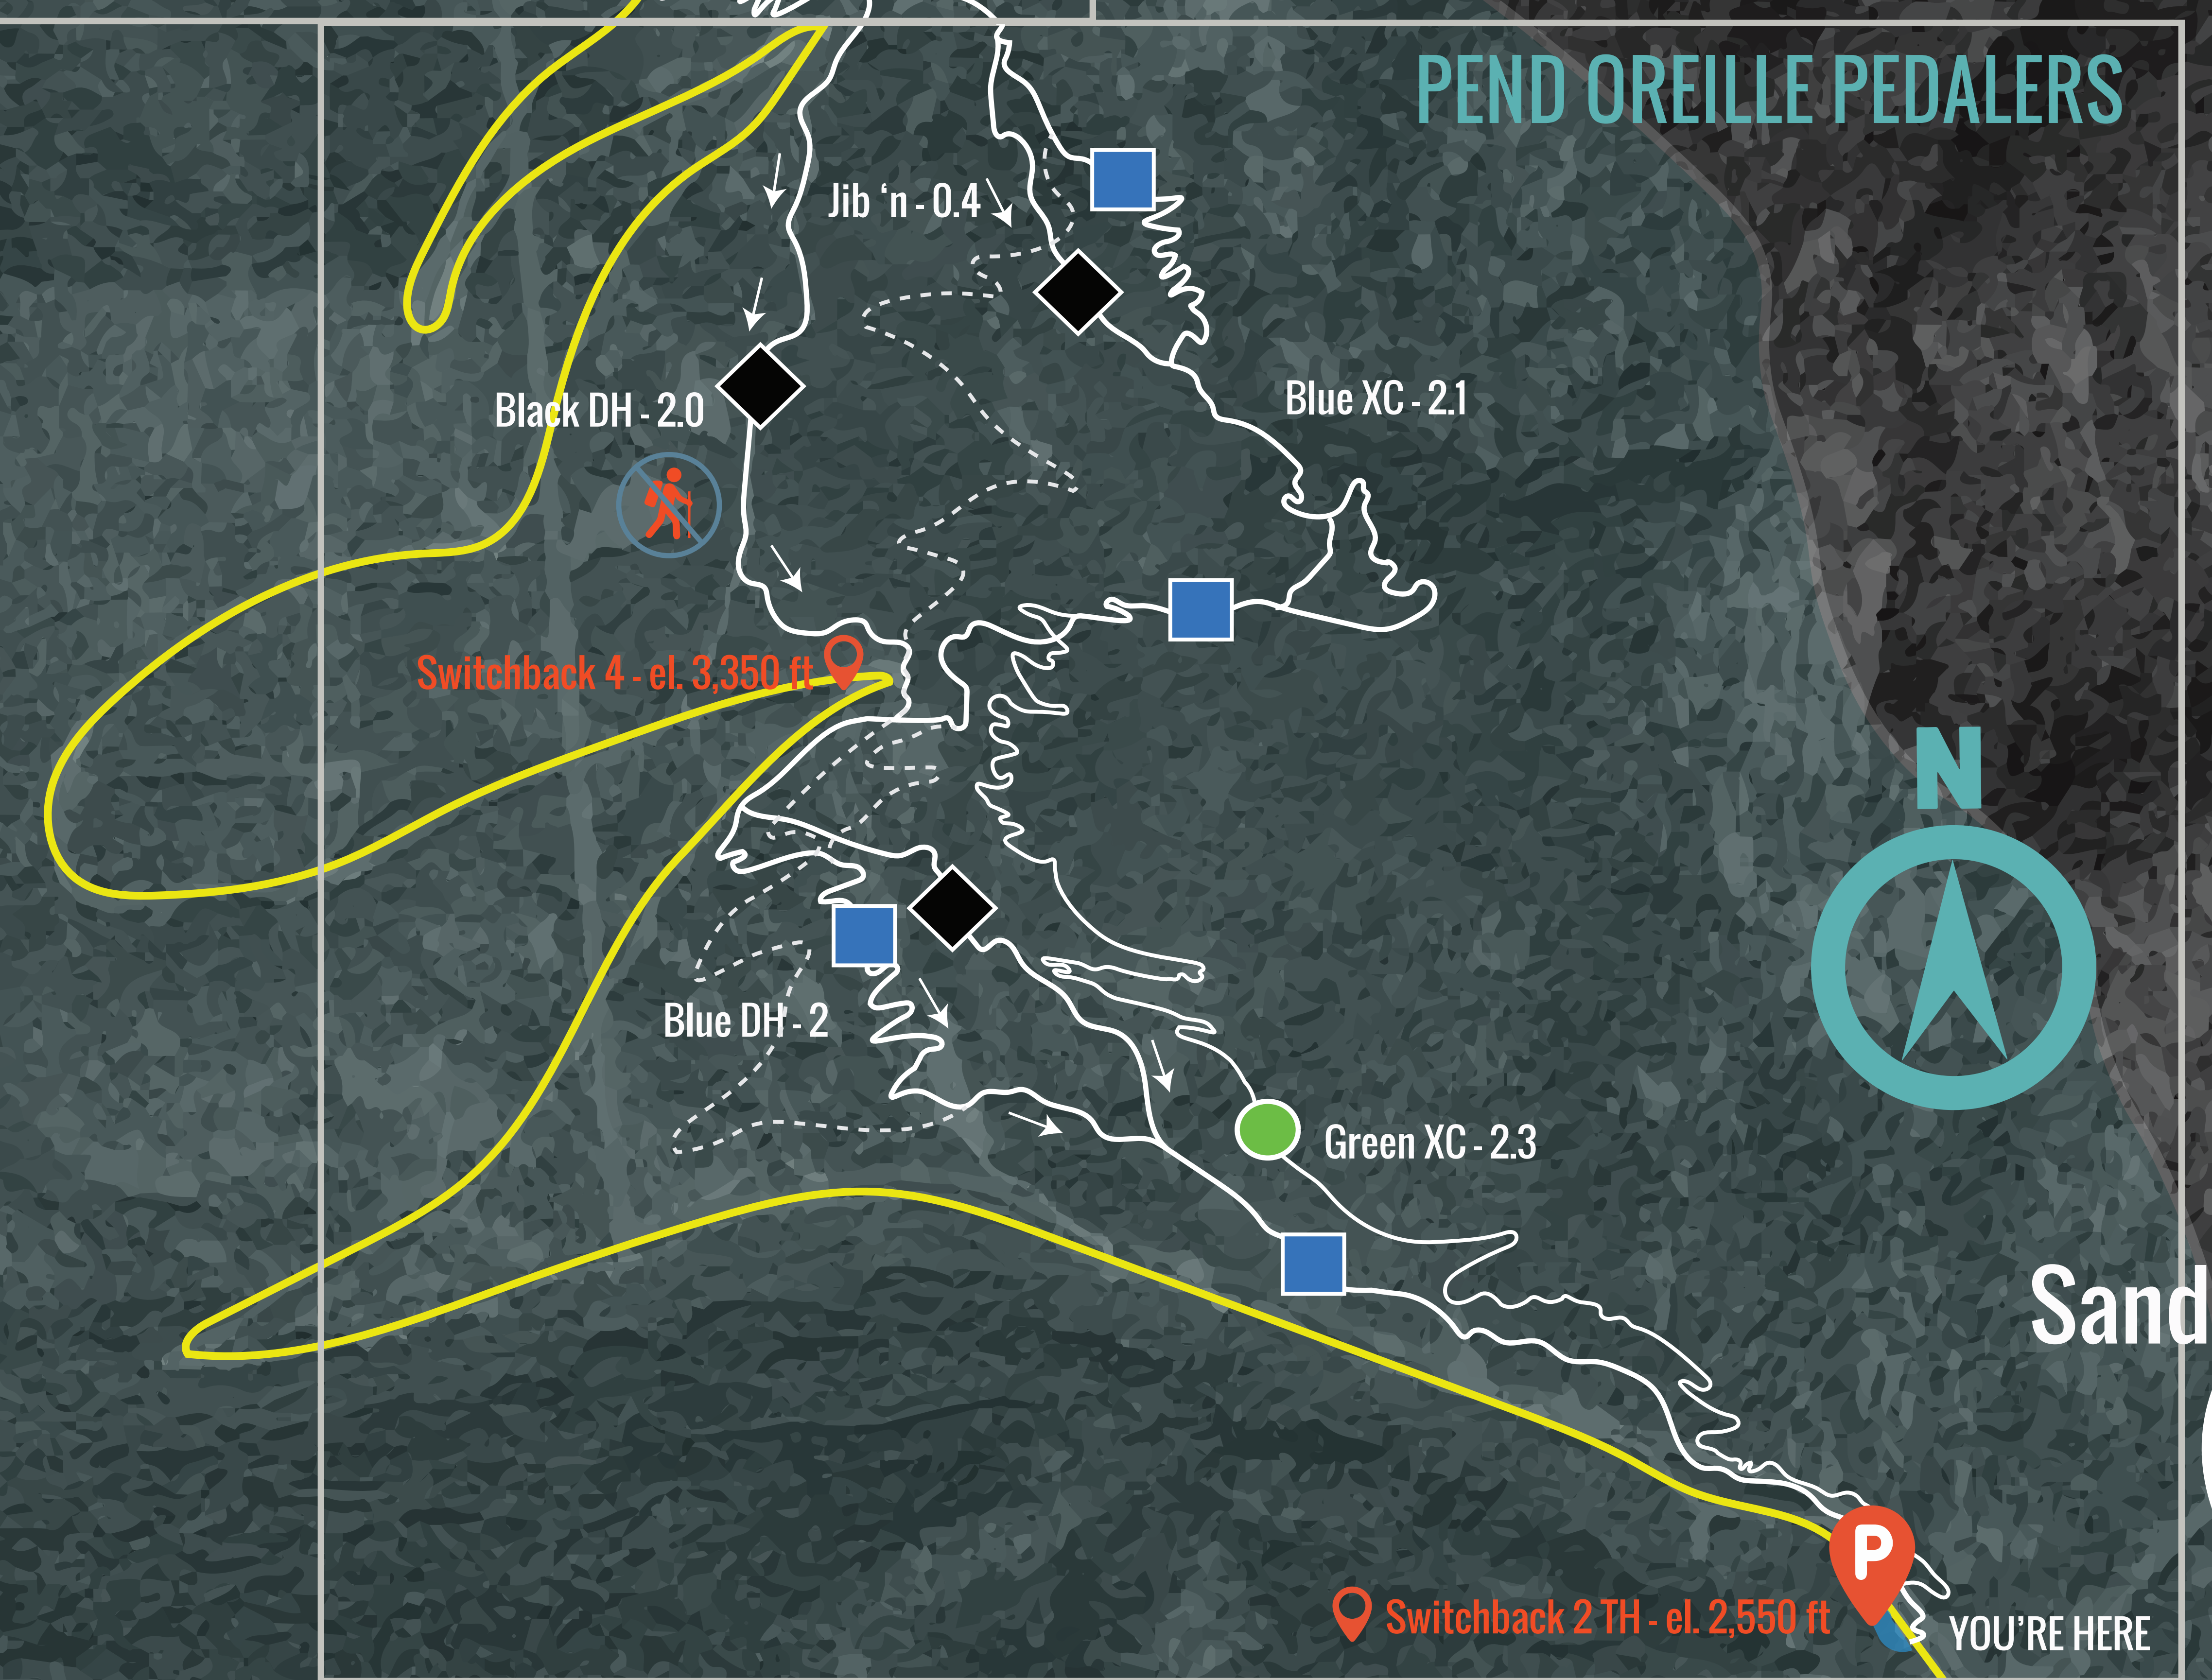

KNOW WHERE YOU ARE

Emergency location numbers are displayed throughout the Lower Basin Trail System

First responders will use your emergency location number to determine the fastest way to locate you.
